

Introducing to wine-tasting

Do you know that Satigny is the biggest Swiss wine-producing village ? And that Geneva is the third biggest wine-producing canton ?

During one evening, you will learn more about the wine side of Geneva. Mixing theory and tasting, Simone de Montmollin will bring you some knowledge about Geneva landside and the art of wine-tasting.

Between 8 and 10 different wines will be presented to give you an idea of the types of wines that you can find in Geneva.
